Dear School Families,

This letter is to announce that tuition levels have been established for the 2009-2010 school year.

The Parish budget approved by the Parish Council maintains the Parish subsidy level to help offset tuition costs for active parish families. It also allows increased support for tuition assistance; ensures continued support and improvement of technology in our school; provides for necessary maintenance of our facilities; and supports an enhanced Kindergarten program for families choosing to have their child(ren) in school all day.

This budget is achieved through a 2% increase in tuition for Grades 1-8 and a \$10 per month increase (across 10 months) for Kindergarten.

Tuition for Grades 1 through 8 will be as follows:

1 student = \$3845.40

2 students = \$5824.20

3 (or more) students = \$7165.50

Each student of non-parishioners or "inactive" parishioners = \$6018

Kindergarten tuition will be as follows:

Each student = \$1425

Each student of non-parishioners or "inactive" parishioners = \$2000

Thank you for choosing St. Jude School for your children. Many of you sacrifice greatly to ensure your children receive an excellent academic and Catholic education. The outstanding quality of our school is direct result of the dedication and cooperation of our students, our school staff, our many volunteers, and the support of our Parish community.

If you have questions related to tuition or other school financial issues, please feel free to contact either of us through the parish center.

God Bless You All,
